# Bloodstained ritual of the night steam guide

You will unlock this achievement upon defeating the Den of Behemoths boss fight. You will unlock this achievement after you've accumulated 500,000g in your pocket at one time. Weapons have combos similar to fighter games. You will unlock this achievement after using Johannes to craft ten different items. =Make a Wish-Break 1,000 candleholders. You will come across a vampire librarian known as OD. =Loco Motive-Eradicate the runaway train. =Demonologist-Complete the demon list. There is a fast setting as well that allows you to view the credits quicker, but so far I'm not sure if you can achieve it through this method. =Dragonslayer-Eradicate the netherdrake. =Speed Demon-Eradicate the hypersonic hellraiser. =Shardmaster-Absorb every single shard. You will unlock this achievement upon defeating the Hidden Desert boss fight. If you have the Caraboose Familiar equipped, she will sing a song while you sit at the piano. Check out some of my other guides on Steam and my personal Twitch, link located on my Steam public profile. You will unlock this achievement upon defeating the Glacial Tomb boss. This should be the first achievement you unlock in the game. Once you have completed 30 quests, picked up in the hub area known as Arvantville, you will obtain this achievement. Open treasure chests scattered throughout the castle to pick up this achievement. =Kickstopper-Jump kick 10 times without touching the ground. This is from unlocking the bad ending and killing Gebel. Once you have ridden the carriage across the gorge, you'll arrive in the Garden of Silence.

Personal Game Notes  
-SOUL GRADE 9 IS MAX. CAN CONTINUE TO COLLECT BUT DOES NOT INCREASE. This one is friendly, and he'll cut your hair! Use it once to unlock this achievement. =Shardbinder-Absorb your first shard. Once you've arrived in Arvantville, you will find Johannes in a room by himself. Right after this boss, you will pick up your double jump. You will unlock this achievement upon defeating the Inferno Cave boss fight. =Growing Pains-Reach level 50. You will unlock this achievement upon defeating the Underground Sorcery Lab boss fight. =His Blade-Inherit the blade that demons fear. You will unlock this achievement for completing the mastery bar located in the techniques tab. =Army of the Night-Thank you, everyone, for your endless kindness and support. A lot. =Bookworm-Borrow 10 books. =Tourniquet-Eradicate the bloodthirsty maiden. Travel distance achievement. =Usurper-Observe the rise of the castle's new master. =Rodeo Star-Eradicate the skeletal demihorse. You can collect the Caraboose Familiar here. You will unlock this achievement upon defeating the Oriental Sorcery Lab boss fight. I do believe that I had just bought something when it popped, but I had also just sold two souls to see what that was all about. =Arvantville's Angel-Complete 30 quests. Once you have the familiar, continue on until you find a piano that you can sit at. You will unlock this achievement after the end credits. For me, the easiest way to get this achievement is once you encounter the green dragon enemy type, wait for the jump attack and then spam down kick as fast as possible. You will unlock this achievement upon defeating the Entrance boss fight. You will unlock this achievement after you've absorbed 1000 Liters of blood using the Blood Steal shard. While exploring the castle, you'll run into one of the enemies with blades on their hands. Borrow 10 different books from him to obtain this achievement. =Show of Hands-Eradicate the wrathful work of art. You will unlock this achievement after you've collected all of the soul shards, some are only available via crafting. The famous breakaway floor or wall in the metroidvania genre. You must collect or craft everything on the left side of the Completion Rate box in the Archives Menu. =Gilded Youth-Amass a fortune of at least 500,000g. Aside from that, if you have good mobility skills this should be pretty easy to obtain.

Special Achievements  
=Storm Abolisher-Eradicate the cause of the maelstrom. You will unlock this achievement upon defeating the final boss located in the Glacial Tomb. =All Bets Are Off-Eradicate the duke of high rollers. Demons, Shards, Quests, Techniques and Boss Medals do not count towards item progress. You will unlock this achievement upon defeating the Hall of Termination boss fight. Later on in the game, this will become a basic enemy. =Moonscraper-Eradicate the mistress of the deathly moon. =Transcendence-Triumph over yourself. =Down Pat-Master a weapon technique. Pretty straight forward, you can collect food or craft it. Guide Creator Message: I was planning to write a superguide for this, but it might take some time with me working 40+ hours a week. Unlock 100% of the achievements to unlock this one. You will unlock this achievement upon defeating the Dian Cecht Cathedral boss fight. You will unlock this achievement upon defeating the Secret Sorcery Lab boss fight. =Hermetically Sealed-Subdue the alchemist. =Overtord-Unlock every other achievement. =Might've Known-Discovered a hidden breakable wall. =Samurai Showdown-Drive back the samurai. He has the option of Dismantle, dismantle 10 items to unlock this achievement. In the room underneath of Orlok Dracula, OD, you will see a crack in the ceiling large enough for Miriam to fit through, use Invert and walk into the hole and you will land on top of OD. You will unlock this achievement upon 100% map completion. =Just a Flicker-Fulfill your promise to a friend. =Able Alchemist-Transmute items 10 times. You should get this well before completing the game. You will unlock this achievement upon defeating the Livre Ex Machina boss fight. Hop a couple times just to be sure and you will unlock your achievement. =Bloodstained-Take in a large quantity of blood. You will unlock this achievement after you have used the backstep to travel 100 meters. =Marathon-Travel 42.195 kilometers. NOTE: There is a weapon to be found with a special technique learned by mastering all other techniques. =Item Collector-Complete the item list. =True Hagglor-Earn at least 100,000g in total item sales. If not, check out a map online to find the secret rooms. Once you have reached character level 50 you will obtain this achievement. =Dare to Devour-Consume 20 different recipes. Unless you're some kind of pacifist, you should have this well before you complete the game. You will unlock this achievement after you've slain 100% of the demons, includes bosses.

Special Achievements  
=Recital-Listen to the faerie's song. =Snake Charmer-Eradicate the twin-headed dragon. =Scrap Heaper-Break down items into materials 10 times. The achievement will unlock once the song is finished. -SOUL RANK 9 IS MAX, CANNOT CONTINUE TO UPGRADE -RANK 9 YELLOW SOULS ALLOW FOR IT TO BE EQUIPPED PERMANENTLY -WEAPON MASTERY IS ONE FULL BAR, BE SURE TO PERFORM THE TECHNIQUE AFTER READING TO LOG IT IN TECHNIQUE TAB If you enjoyed my guide, or it just helped out, please give it a like! Thank you all for reading. This was one of the achievements that Dominique had.
