[25/10/2019 · Borderlands 3 developers are looking at ways to allow players to skip cutscenes in the game. Admittedly, cutscenes are sometimes necessary. They allow for deeper immersion into a game's story and, on occasion, give your tired fingers a much-needed break. Having the option to skip them, however, is pretty great. 9/3/2020 · Borderlands 3 lag and stuttering issues are an unfortunately common aspect of Gearbox's latest looter-shooter. And believe me I say I understand your pain if you've also been assailed with such issues. I've put together the below list of potential fixes which have solved the issue for a great many people, so that with some luck, you'll be able to rid yourself of these ... 23/3/2020 · Borderlands 3 General Discussion garfnob \(garfnob\) March 21, 2020, 4:52pm #1 Is there a way to not skip the cutscenes when i press a key twice? 11/2/2020 · Borderlands 3 has gotten steady content fixes and updates since it launched back in September. While we haven't covered them all, this one is significant for two reasons: it increases the level cap, and it finally lets us skip cutscenes. Properly. 13/9/2019 · Borderlands 3 is one of the hottest games this year, and it's no surprise why. The game has received a lot of praise from critics and fans alike. One of the most praised features is the game's cinematic quality. However, some players have reported that they cannot bypass the intro cinematic by heading into files of the folder-shooter software on their computer. You will need to find the file named MARCUS_INTRO and rename it something else. Renaming the MARCUS_INTRO file will cause it not to play whenever you start the game. 21/11/2020 · Link to tutorial in Section 3-#2.
